June 22-Friday

Board the bus at the Riviera Ballroom in Audubon and travel to Boston, MA for a two night stay. Then enjoy an award-winning New England seafood dinner at the famous Woodman's Restaurant on scenic Cape Ann.

June 23-Saturday

After breakfast enjoy a visit to one of the country's most productive, year round wildlife viewing areas where over 300 species of birds including the bald eagle, snowy owl, many warblers, shorebirds and waterfowl have been recorded. A ranger will ride with you to tell you about the many species you will see. Then take a Newburyport Harbor cruise and meet resident wildlife including seals, hawks, great blue herons, egrets, diving cormorants and maybe deer and bald eagles! The crew will tell you about the history and ecological significance of one of New England's most beautiful coastal jewels. Visit the Hampton Beach Sand Castle Competition, a Northeastern United States Masters competition, before driving up the coastal route and enjoying a Maine lobster dinner.

June 24-Sunday

Take a tour of Salem and learn about the 1692 witchcraft trials and the maritime history of the area. See the captain's homes, the House of Seven Gables, Old Burying Point cemetery and the Witch Trial Memorial before continuing home.
